Best Pakat Award

celebrants

On 20th March 2014, a surprise birthday cele-

bration was held for office staffs, Royce and

Wong. Happy birthday guys and to all march

During loading of scaffolding materials, I saw the riggers went to place bundles of pipes of the scaffolding materials scattering on main deck. Dangerous for the crew and passengers bypasses might get struck by sliding cargo during present of swell. Advice to the riggers to properly arrange and secure materials. agreed and done.
